

## Financial Tear Sheet

### Corporate Profile

[Allscripts](#) (NASDAQ: MDRX) is a leader in healthcare information technology solutions that advance clinical, financial and operational results. Our innovative solutions connect people, places and data across an Open, Connected Community of Health™. Connectivity empowers caregivers to make better decisions and deliver better care for healthier populations.

Allscripts is one of the largest public companies focused exclusively on healthcare information technology globally. Allscripts offers healthcare providers, payers and life sciences companies globally a complete portfolio of clinical, financial, population health management, transaction and managed IT services and other solutions. As of December 31, 2016, we had approximately 7,600 employees worldwide. For 2016, revenue was \$1.6 billion. We operate in 13 countries including Australia, Canada, India Israel and the United Kingdom.

Our industry leading client base of 180,000 physicians across approximately 45,000 ambulatory facilities, 2,500 hospitals and 17,000 post-acute organizations.
