This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are based on the current beliefs and expectations of Allscripts management, only speak as of the date that they are made, and are subject to significant risks and uncertainties. Such statements can be identified by the use of words such as "future," "anticipates," "believes," "estimates," "expects," "intends," "plans," "predicts," "will," "would," "could," "can," "may," and similar terms. Actual results could differ from those set forth in the forward-looking statements, and reported results should not be considered an indication of future performance. Certain factors that could cause Allscripts actual results to differ materially from those described in the forward-looking statements include, but are not limited to potential negative impacts to our earnings, risks relating to transition services or other post-disposition obligations, the diversion of management's attention, and the use of the proceeds Allscripts received from the sale. Additional information about these and other risks, uncertainties, and factors affecting Allscripts business is contained in Allscripts filings with the Securities and Exchange Commission, including under the caption "Risk Factors" in the most recent Allscripts Annual Report on Form 10-K and in subsequent Form 10-Qs filed with the Securities and Exchange Commission under the heading "Forward-Looking Statements and Risk Factors." Except as required by law, Allscripts does not undertake to update forward-looking statements to reflect changed assumptions, the impact of circumstances or events that may arise after the date of the forward-looking statements, or other changes in its business, financial condition or operating results over time.
