

Allscripts Announces Fourth Quarter 2001 Conference Call

January 28, 2002

Webcast to be Held Tuesday, 2/12

CHICAGO, Jan. 28 /PRNewswire-FirstCall/ -- Allscripts Healthcare Solutions, Inc. (Nasdaq: MDRX), the leading provider of point-of-care decision support solutions for physicians, invites you to listen to a live broadcast of the Company's Fourth Quarter 2001 results conference call hosted by Glen Tullman, Chairman and Chief Executive Officer, and David Mullen, President and Chief Financial Officer.

News Release:

The earnings news release will be distributed via PR Newswire immediately after the market closes the afternoon of February 12, 2002. The release will also be available on the Company's Web site at www.allscripts.com.

Conference Call Broadcast:

Allscripts Healthcare Solutions senior executives will discuss the results during an investor community teleconference scheduled for 4:30 p.m. EST on Tuesday, February 12, 2002. To listen to the broadcast, participants may log onto www.allscripts.com. We suggest you log onto the web site approximately 15 minutes prior to the conference call to download and install any necessary software.

Conference Call Replay:

A Windows MediaPlayer replay will be available after 9:00 a.m. EST on Wednesday, February 13, 2002 at www.allscripts.com.

Allscripts Healthcare Solutions is the leading provider of point-of-care decision support solutions for physicians. The Company's TouchWorks(TM) software products enhance physician productivity using a wireless handheld device or desktop workstation to automate the most common physician activities including prescribing, capturing charges, dictating, ordering labs and viewing results, providing patient education, and taking clinical notes. Additionally, Allscripts provides patient compliance and healthcare product education services for physicians through its Physicians Interactive(TM) unit. Allscripts provides services to over 20,000 physicians across the U.S.

(Minimum requirements to listen to broadcast: Windows MediaPlayer software, downloadable free from <http://www.microsoft.com/windows/windowsmedia/download/default.asp>, 28.8Kbps modem Internet connection, and speakers/earphones.)
